About Canadian Feed The Children

Canadian Feed The Children is the bridge between caring Canadians who want to reach out to help and the precious children we support together. An independent Canadian registered charity, we enhance the well-being of children and the self-sufficiency of their families and communities. In partnership with community-based groups, we help in the areas of food security and nutrition, clean water access, health and hygiene, sustainable agriculture, sanitation, income generation, skills building and education. We also ship medicines and medical supplies to some of the communities we support.
